WRITTEN QUESTIONS

- (65) Mr. Schneeberger (Drummond–Bois-Francis) – **12 May 2015**
To the Minister of Agriculture, Fisheries and Food

The Minister of Agriculture is reviewing his department's ways of doing things with a view to simplifying procedures. We hope that such changes will make life easier for the next generation of farmers.

In view of this review, is the Minister also open to reviewing the number of permits required to operate an agritourism business? Does he intend to simplify a regulation that all too often represents an obstacle to those who would like to start an agritourism business?
