EXPLANATORY NOTES

This bill aims to allow the transfer of the activities of the enterprise registrar to the Ministère du Travail, de l'Emploi et de la Solidarité sociale.

Under the bill, the Minister of Employment and Social Solidarity is responsible for the administration of the Act respecting the legal publicity of enterprises, except the sections of that Act that govern payment of the annual registration fee to the Minister of Revenue, which remain under the administration of the Minister of Revenue.

The bill specifies that the sums required to finance the activities of the enterprise registrar will be taken out of the Goods and Services Fund established within the Ministère du Travail, de l'Emploi et de la Solidarité sociale.

The bill also increases the fines prescribed in the Act respecting the legal publicity of enterprises and doubles them for a second offence. A new offence is added to that Act for cases in which a person who does or omits to do something in order to help another person commit an offence.

It simplifies the notification of originating demands involving the enterprise registrar in civil matters.

Lastly, the bill contains transitional and consequential provisions, in particular with respect to the transfer of certain personnel members of the Agence du revenu du Québec, of assets made available to the enterprise registrar and of records relating to its activities.
