Statutory order

- Examination of the report from the Société de l'assurance automobile du Québec on automobile advertising guidelines.
- Examination of the 2013 evaluation report – Photo radar devices and red light camera systems.

Order in compliance with the Standing Orders

Surveillance of public bodies and accountability:

- Hearing the Société de l'assurance automobile du Québec on its administrative management, activities and policy directions.

Part 5

WRITTEN QUESTIONS

Questions already placed on the Order Paper
are published each Wednesday

- (223) Mrs. Léger (Pointe-aux-Trembles) – **21 February 2017**
To the Chair of the Conseil du trésor

During the clause-by-clause consideration of Bill 87, An Act to facilitate the disclosure of wrongdoings relating to public bodies, I introduced an amendment to create a whistleblowers support fund.

Though your predecessor as Chair of the Conseil du trésor and Member for Robert-Baldwin rejected the said amendment, he had invited me to attend the next prebudget consultations in order to examine this matter, stating "[Translation] I could officially invite you to take part in the prebudget consultations, at which time we would examine that very matter well before the 12 months" (2 December 2016, Committee on Public Finance).

The minister had explicitly conceded that the use of revenues from fines stemming from the application of the law deserved some reflection: "[Translation] I told the committee that I was absolutely open to carrying out this reflection exercise. I think it is relevant to envisage the manner in which sums stemming from fines will be used and to reflect on this matter somewhat more broadly. [...] There is a need for Government reflection on whether it is relevant or not to provide this or another type of financial support to whistleblowers." (2 December 2016, Committee on Public Finance).

My questions are the following:

- Did the new Chair of the Conseil du trésor continue the reflection exercise on the creation of a whistleblowers support fund launched by his predecessor?
- Does he intend to establish a whistleblowers support fund?

(224) Mrs. Fournier (Marie-Victorin) – **21 February 2017**

To the Minister of Justice and to the Minister responsible for the Status of Women

Women generally pay more for certain basic products than men do. Personal care products and cosmetics are at the top of the list of main suspects: shampoo, deodorant, razors, perfume. Colloquially speaking, this is known as a "pink tax".

To one of the questions I asked him last 15 February, the Minister of Finance acknowledged that there was discrimination. He added that "[Translation] these are retailers' price practices", that it is "[Translation] the large retailers that discriminate" (Oral Question Period, 15 February 2017). He also specifically added that the Government was to tackle these price practices.

The Minister of Justice also voiced her concerns in this regard. She added that there was "[Translation] a lack of data preventing us from establishing whether there is indeed and conclusively true discrimination as regards certain price differences" (Oral Question Period, 15 February 2017).

Yet, several studies and reports exist worldwide on this subject, particularly the following:

- *Pink Tax: Gender and Other Price Discrimination Factors*, Harvard Business Review, 2016 <https://hbr.org/product/pink-tax-gender-and-other-price-discrimination-factors/W04C92-PDF-ENG>
- *The Pink Tax: How Gender-Based Pricing Hurts Women's Buying Power*, Joint Economic Committee, 2016 https://www.jec.senate.gov/public/_cache/files/8a42df04-8b6d-4949-b20b-6f40a326db9e/the-pink-tax---how-gender-based-pricing-hurts-women-s-buying-power.pdf
- *From Cradle to Cane: The Cost of Being a Female Consumer, A Study of Gender Pricing in New York City*, New York City Department of Consumer Affairs, 2015 <http://www1.nyc.gov/assets/dca/downloads/pdf/partners/Study-of-Gender-Pricing-in-NYC.pdf>
- *The Cost of Doing Femininity: Gendered Disparities in Pricing of Personal Care Products and Services*, Gender Issues, 2011 <http://link.springer.com/article/10.1007/s12147-011-9106-3>

In the United States, two laws were passed to counter this phenomenon:

- In California in 1995:
http://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?lawCode=CIV§ionNum=51.6
- In New York City in 2016:
<http://www1.nyc.gov/assets/dca/downloads/pdf/about/PricingLaws.pdf>

A bill was also introduced in the United States Congress in August 2016 to prohibit such business practices:

<https://www.congress.gov/bill/114th-congress/house-bill/5686/all-info>

My question is the following:

- What does the Government intend to do to correct these practices?
