EXPLANATORY NOTES

This bill amends the schedule to the Crime Victims Compensation Act.

It updates the “description of offence” under section 153 of the Criminal Code, cited in the schedule, so that the term “sexual exploitation” expressly appears in it.

It adds the offence “trafficking in persons”, provided for in section 279.01 of the Criminal Code, to the schedule.

In this way, the bill ensures that victims of sexual exploitation and human trafficking benefit from the advantages provided under the Crime Victims Compensation Act.
