ORDERS OF THE DAY

Business Having Precedence

Estimates of Expenditure

Interim Supply

Pursuant to the order adopted on 10 March 2020, the Assembly resolved itself into a Committee of the Whole.

Consideration in Committee of the Whole

The Committee of the Whole entered upon consideration of Interim Supply for the 2020–2021 fiscal year.

At 1.00 o'clock p.m., Ms. Soucy, Second Vice-President, suspended the proceedings until 3.00 o'clock p.m.

The proceedings resumed at 3.01 o'clock p.m.

The Committee of the Whole continued its consideration of Interim Supply for the 2020–2021 fiscal year.

11 March 2020

With the permission of Mr. Picard, First Vice-President, Mr. Fortin (Pontiac) tabled the following:

A copy of a letter, dated 11 March 2020, to Ms. McCann, Minister of Health and Social Services, from four doctors at McGill University on concerns about COVID-19 and the World Figure Skating Championships.

(Sessional Paper No. 1472-20200311)

The consideration being concluded, the question was put on concurrence in Interim Supply for the year 2020–2021.

At 7.05 o'clock p.m., Mr. Picard, First Vice-President, suspended the proceedings.

The proceedings resumed at 9.01 o'clock p.m.

Mr. Picard, First Vice-President, ruled on putting the question on Interim Supply for the year 2020–2021.

RULING FROM THE CHAIR

The Chair has taken the time to analyze what occurred when the question was put on concurrence in Interim Supply after the five-hour discussion before the Committee of the Whole and to review the video of the sequence of events several times. When the question was put on concurrence in Interim Supply for the 2020–2021 fiscal year, some Members said “approve”, some said “negative”, and others said “on division”.

The Chair then ruled, in accordance with parliamentary tradition, that there had been concurrence on division, since the Government seemed to be in majority in the House.

11 March 2020

The situation in the Assembly was not as plain as it was on 7 November 2019, when there was clearly a greater number of Opposition Members than Government Members at the time the question was put on a motion debated during Business Standing in the Name of Members in Opposition. On that day, the motion moved by the Official Opposition was declared carried, despite the opposition of the parliamentary group forming the Government.

In a Committee of the Whole, Members may enter or leave the Assembly Chamber up to the moment a recorded division is held. In the case at hand, the presence of a large number of public servants in the Chamber at the time the question was put certainly could have had an impact on the impression of the number of Government Members present. Moreover, there was some confusion owing to the large number of public servants and political staff in the Chamber and the fact that the difference in number between the Members in favour and those against was not obvious. Furthermore, some Members had left the Chamber and others had entered, as had various members of personnel, thereby making it difficult to obtain a clear tally of the division.

In light of this and given this special situation, the only way to obtain a clear result on the question is to hold a recorded division, as the Deputy Government House Leader has requested.

The motion was carried on the following vote:

(Division No. **305** in Appendix)

Yeas: **62** Nays: **39** Abstentions: **0**

Accordingly, Interim Supply for the year 2020–2021 was granted.

The Chair of the Committee of the Whole reported to the Assembly as follows:

The Committee of the Whole adopted a portion of the estimates of expenditure as a unit, i.e. a maximum amount of \$18,890,203,483.00, to cover part of Québec's expenditure budget presented in the National Assembly for the fiscal year 2020–2021, which was not otherwise provided for.

11 March 2020

The question was put on the report from the Committee of the Whole, and a recorded division was thereupon demanded.

The report was concurred in on the following vote:

(Division No. **306** in Appendix)

Yeas: **62** Nays: **39** Abstentions: **0**

Mr. Dubé, Minister Responsible for Government Administration and Chair of the Conseil du trésor, moved:

THAT Bill 57, Appropriation Act No. 1, 2020–2021, be brought before the Assembly;

THAT this bill do pass in principle;

THAT this bill do pass.

The question was put on this motion, and a recorded division was thereupon demanded.

The motion was carried on the following vote:

(Division No. **307** in Appendix)

Yeas: **62** Nays: **39** Abstentions: **0**

Accordingly, Bill 57, Appropriation Act No. 1, 2020–2021, was passed.

Mr. Schneeberger, Deputy Government House Leader, moved:

THAT the estimates of expenditure for the year 2020–2021, save those of the National Assembly, be referred to the Standing Committees.

The motion was carried on division.

11 March 2020

At 9.10 o'clock p.m., Mr. Picard, First Vice-President, adjourned the Assembly until Thursday, 12 March 2020 at 9.40 o'clock a.m.
