BUSINESS STANDING IN THE NAME OF MEMBERS IN OPPOSITION

(64)2 February 2021

Motion by the Member for Saint-Laurent

THAT the National Assembly reiterate the urgent need for action in the field of education to ensure students' educational success and academic perseverance during and after the pandemic;

THAT it recall that as of last fall education stakeholders were alarmed by the sudden explosion in the student failure rate;

THAT it express its deep concern about the lack of motivation of young students since the beginning of the pandemic;

THAT it recognize parents' and school teams' grave concerns about a number of major issues, such as air quality, essential learning, delays in implementing a tutoring program, the late cancellation of ministerial exams, not knowing the weighting of first report cards, the continued absence of rapid testing, the delay in imposing the wearing of procedure masks, and the long-term impact of COVID on students' academic success and the risk of students and teachers dropping out of school;

THAT the Assembly ask the Government to put in place measures to assist students and school teams immediately, such as:

- Strengthening the tutoring program, in particular by setting up a refundable tax credit;
- Allowing university students to submit their candidacy for the tutoring program, regardless of their program of study;
- Adding a financial or tax incentive to entice retired teachers to return to work;
- Negotiating with teachers in good faith to avoid penalizing students;
- Undertaking to convene, during the spring break, an emergency summit with all the stakeholders involved in educational success and academic perseverance to establish a 3-year crisis recovery plan to maximize Québec students' chances for success.
