ACT RESPECTING SERVICES QUÉBEC

**1.** The Act respecting Services Québec (chapter S-6.3) is repealed.

ACT RESPECTING THE MINISTÈRE DE L'EMPLOI ET DE LA  
SOLIDARITÉ SOCIALE AND THE COMMISSION DES PARTENAIRES  
DU MARCHÉ DU TRAVAIL

**2.** Section 2 of the Act respecting the Ministère de l'Emploi et de la Solidarité sociale and the Commission des partenaires du marché du travail (chapter M-15.001) is amended

(1) by adding “as well as in the area of services to citizens and businesses” at the end of the first paragraph;

(2) by adding the following paragraph after the second paragraph:

“In the area of services to citizens and businesses, the Minister’s mission is to provide simplified access to public services throughout Québec. To do so, the Minister shall

(1) promote integrated service delivery and ensure a government presence in all regions of Québec, based on the directions determined by the Government;

(2) provide information to citizens and businesses and referral services with respect to the delivery of the services that are available to them;

(3) ensure that the department provides a main gateway to such business start-up and development services as the Minister deems necessary, including ready access to the forms and procedures needed to complete registration, modification, declaration and other formalities; and

(4) propose, to any person, department or body the Minister may enter into agreements with, means to enhance the delivery of services to citizens and businesses.”

**3.** Section 3 of the Act is amended by inserting “, subject to subparagraph 4 of the first paragraph of section 77.1 of the Public Administration Act (chapter A-6.01),” after “shall” in the first paragraph.

**4.** The Act is amended by inserting the following section after section 5:

**“5.0.1.** When exercising functions or engaging in activities assigned by an agreement entered into for the purposes of this Act, the Minister is vested with all the necessary powers.

When a function or activity assigned to the Minister is exercised or engaged in by a public officer, the officer becomes a member of the personnel of the department if the agreement so provides. Otherwise, the Minister designates persons to exercise the function or engage in the activity, and publishes the designations in the *Gazette officielle du Québec*.”

**5.** The Act is amended by inserting the following sections after section 57:

**“57.1.** The Minister is responsible for the register of civil status and appoints the registrar of civil status.

**“57.2.** The registrar of civil status is a public officer and a member of the personnel of the department. The registrar exercises the functions provided for by law, attending exclusively to the work and duties of the registrar of civil status. However, at the request and in lieu of the Minister of Justice, the registrar may also grant the special exemptions provided for in articles 63 and 67 of the Civil Code and the authorizations provided for in article 366 of that Code.

If no designation has been made under article 151 of the Civil Code and the registrar of civil status is absent or unable to act, the Minister designates a public servant from the department to exercise the functions of registrar of civil status, and publishes the designation in the *Gazette officielle du Québec*.

**“57.3.** The registrar of civil status must inform the Attorney General, as soon as possible, of cases that could raise general interest issues or require the intervention of the Minister of Justice or Attorney General.

**“57.4.** The Minister must adopt a policy for the examination and processing of complaints received in respect of the delivery of services and the implementation of measures or programs under the Minister’s authority.

To process such complaints, the Minister designates an administrative unit separate from the units responsible for delivering services or implementing measures or programs under the Minister’s authority.

The Minister reports on the policy in the department’s annual management report and states the number of complaints received, the nature of the complaints and the means used to settle them.”
