PARLIAMENTARY BUDGET OFFICER

DIVISION I

APPOINTMENT AND ORGANIZATION

2. On the joint motion of the Premier and the Leader of the Official Opposition, after consulting with the Leaders of the other authorized parties represented in the National Assembly, and with the approval of two thirds of the Members, the National Assembly appoints a Parliamentary Budget Officer to be responsible for the administration of this Act.

3. In the same manner, the National Assembly determines the remuneration, employee benefits and other conditions of employment of the Parliamentary Budget Officer.

4. The Parliamentary Budget Officer comes under the National Assembly. The Officer's powers are those conferred by law.

5. Before taking office, the Parliamentary Budget Officer must take the oath set out in Schedule I before the President of the National Assembly.

6. The Parliamentary Budget Officer performs the duties of office exclusively and on a full-time basis.

7. The Parliamentary Budget Officer is appointed for a fixed term of five years.

If the term expires in a year when a general election is held, it is extended, without further formality, to the following year.

The term may be renewed, but an Officer may not remain in office more than 10 years.

On expiry of the term, the Officer remains in office until reappointed or replaced.

8. The Parliamentary Budget Officer may resign at any time by giving notice in writing to the President of the National Assembly.

The President informs the National Assembly within three days of receiving the notice or, if the Assembly is not sitting, within three days of resumption.

9. The Parliamentary Budget Officer may be removed only by a resolution of the National Assembly approved by two thirds of the Members.

10. If the Parliamentary Budget Officer leaves office or is unable to act, the Government may, after consulting with the Leaders of the authorized parties represented in the National Assembly, designate a person to act as Parliamentary Budget Officer for a period not exceeding six months. The Government determines the designated person's remuneration and conditions of employment.

DIVISION II

DUTIES

11. The Parliamentary Budget Officer performs the duties of office independently and impartially.

§1. — Review of public finances

12. The Parliamentary Budget Officer prepares an annual report presenting an objective portrait of the Government's economic and financial forecasts.

The report also assesses the long-term viability of the Government's finances to determine if policy changes are required, based on the budgetary consequences of trends in the economy and government spending programs, in order to ensure a sustainable public debt.

The Officer may include any comments the Officer considers appropriate in connection with the work involving the report.

13. The Parliamentary Budget Officer forwards the annual report to the President of the National Assembly within 90 days of the day the Minister of Finance tables the public accounts in the National Assembly, under section 87 of the Financial Administration Act (chapter A-6.001), and publishes the report by any means the Officer considers appropriate.

The President tables the annual report in the National Assembly within three days of receiving it or, if the Assembly is not sitting, within three days of resumption.

§2. — *Pre-election audit of public finances*

15. Prior to a general election that follows the expiry of a Legislature, the Parliamentary Budget Officer prepares a report presenting the Officer's opinion on the plausibility of the economic forecasts and assumptions, projected components of the financial framework and estimated expenditures, broken down by field of activity, contained in the pre-election report published by the Minister of Finance on the date specified in section 23.1 of the Act respecting the Ministère des Finances (chapter M-24.01).

The Officer may include any comments the Officer considers appropriate in connection with the work involving the pre-election report.

16. The Parliamentary Budget Officer's opinion on the plausibility of the forecasts must cover at least the first three fiscal years reported on.

However, if the pre-election report is published in February under the second paragraph of section 23.1 of the Act respecting the Ministère des Finances, the opinion must cover at least the three fiscal years following the fiscal year that includes the date on which the report was published.

17. The report prepared by the Parliamentary Budget Officer is forwarded to the President of the National Assembly, who tables it in the National Assembly within three days of receiving it or, if the Assembly is not sitting, within three days of resumption.

The Officer publishes the report, at the same time, by any means the Officer considers appropriate.

The Officer must send the opinion to the Minister of Finance no later than the Monday preceding the publication date of the pre-election report required under section 23.1 of the Act respecting the Ministère des Finances.

§3.—*Assessment of the financial impact of a Member's proposal*

18. At the request of a Member of the National Assembly, the Parliamentary Budget Officer prepares and confidentially provides an assessment of the financial impact for the Government of projected expenditures and the cost of proposed measures.

21. The Parliamentary Budget Officer's conclusions subsequent to the Member's assessment request are made public by the Officer in response to a written request from the Member.

22. An assessment request may be withdrawn at any time on a written notice from the Member who made the request.

23. If the Parliamentary Budget Officer is unable to present the conclusions of the assessment to the Member before the Legislature expires, and if the Member is not re-elected, the request is deemed to have been withdrawn immediately on the date the Secretary General of the National Assembly receives the list of candidates declared elected.
