ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Debate on the motion by the Minister of Finance, - That this Assembly approves in general the budgetary policy of the Government.
- (2) Resuming the debate, adjourned **19 March 2009**, on the Opening Speech delivered by the Prime Minister 10 March 2009,

And on the following want of confidence motions:

By the Leader of the Official Opposition:

THAT the National Assembly severely blame the Premier for his inability to exercise the leadership that Quebecers expect with regard to the historic losses of the Caisse de dépôt et placement du Québec and for his refusal to allow the Minister of Finance, who is responsible for the Caisse, to appear in committee.

By the Member for Lotbinière:

THAT the National Assembly severely blame the Government for its lack of vision and absence of strategy enabling Quebecers to emerge stronger from the economic crisis that is currently prevailing.

By the Member for Mercier:

THAT the National Assembly severely blame the Government for its stubborn pursuit of public-private partnership projects that are ineffective and more costly to taxpayers, more particularly the CHUM, the Hôtel-Dieu de Québec, the OSM concert hall and the Turcot interchange projects.

By the Member for Ungava:

THAT the National Assembly blame the Liberal Government, which is improvising with regard to the establishment of a Northern Québec development plan without involving the Northern Québec communities in its preparation.

By the Member for Marie-Victorin:

THAT the National Assembly of Québec severely blame the Liberal Party Government for having abandoned the objectives aiming to eliminate emergency room waiting time.

By the Member for Richelieu:

THAT the National Assembly severely blame the Liberal Government for its ideological stubbornness in pursuing the building of CHUM in PPP mode rather than in a conventional mode .

By the Member for Lac-Saint-Jean:

THAT the National Assembly severely blame the Liberal Government for its inability to resolve its multiple disputes with the Federal Government, such as the funding of postsecondary education, the reaching of agreements within the framework of the Building Canada Fund, the jurisdictional conflict regarding oil and gas exploration in the Gulf of St. Lawrence, the funding of measures for persons who are not eligible for employment insurance and the financial compensation for the ice storm crisis.

By the Member for Borduas:

THAT the National Assembly severely blame the Liberal Government for its lack of a true desire to reduce the drop-out rate and its failure to meet the commitment made during the opening speech of 2003.

By the Member for Iberville:

THAT the National Assembly severely blame the Government for its chaotic management of the listeriosis crisis and for the lack of concrete assistance measures for artisan producers to remedy this situation in the opening address of the Premier.

By the Member for Verchères:

THAT the National Assembly severely blame the Premier and his Government for their lack of vision for the future of Québec, which translates in particular into the fact that the opening speech was totally silent with regard to possible measures concerning mass transit and into an economic recovery plan that is essentially based on relatively modest investments in road infrastructures and that does not provide for any additional mass transit measures.
