ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Pursuant to Standing Order 276, continuation of the debate on the motion by the Minister of Finance, –That this Assembly approves the budgetary policy of the Government,

And on the motions stating a grievance moved by:

The Member for Rousseau:

THAT the National Assembly severely censure the Liberal Government for presenting a budget without taking into account the consequences it would have on Quebecers.

The Member for Granby:

THAT the National Assembly severely censure the Liberal Government for its lack of economic ambition and for breaking its campaign promise to create 250,000 jobs during its current mandate.

The Member for La Peltrie:

THAT the National Assembly severely censure the Liberal Government for not having a plan to bridge the anticipated deficit caused by the \$853-million gap in program spending that will have to be eliminated.

The Member for Gouin:

THAT the National Assembly of Québec severely censure the Liberal Government for its 2015-2016 budget, which jeopardizes public services due to unprecedented budget cuts in the health and education networks, which will contribute to undermining the quality of the public services made available to Quebecers, and which sets in motion the impoverishment of the 530,000 employees working in these sectors by removing any leeway the Chair of the Conseil du trésor might have to negotiate the working conditions of public and parapublic sector workers in good faith.

The Member for Marie-Victorin:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that reveals that the Plan Nord is a plan only, providing for no substantial investment.

The Member for Terrebonne:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that continues to ravage Québec's Family Policy.

The Member for Lévis:

THAT the National Assembly severely censure the Liberal Government for breaking another election promise, namely to completely abolish the health tax during its current mandate.

The Member for Jonquière:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that cuts the funding of the Ministère du Développement durable, de l'Environnement et de la Lutte contre les changements climatiques by 7.5% for 2015-2016.

The Member for Vachon:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that confirms the Government's meddling in the management of the Caisse de dépôt et placement du Québec, thereby jeopardizing its credit rating.

The Member for Sainte-Marie–Saint-Jacques:

THAT the National Assembly of Québec severely censure the Liberal Government for its policies of budgetary austerity, which will slow down all of Québec's regional economies, offer no support to promising sectors, fail to enable modernization of the Québec economy, and prevent Québec from transitioning to a true 21st-century economy that is respectful of the environment and of sustainable development principles.

The Member for Groulx:

THAT the National Assembly severely censure the Liberal Government for breaking another election promise with its preposterous pseudo-maritime strategy, which is no strategy at all and a far cry from what was promised to Quebecers during the last election campaign.

The Member for Saint-Jean:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that confirms this Government's lack of interest in Québec's young people.

The Member for Masson:

THAT the National Assembly severely censure the Liberal Government for its inaction in dealing with the increasing wealth disparities between Québec and the other provinces and North American states.

The Member for Pointe-aux-Trembles:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that shamelessly cuts education funding.

The Member for Taillon:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that does nothing to alleviate Quebecers' despair concerning access to their health system.

The Member for Rimouski:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that cuts assistance to individuals and families by \$26 million.

The Member for Berthier:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that makes cuts adding up to \$151 million in the funding of the Financière agricole.

The Member for Hochelaga-Maisonneuve:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that substantially reduces the number of dwellings in the AccèsLogis program.

The Member for Sanguinet:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that perpetuates liberal-caquiste austerity throughout another year.

The Member for Mercier:

THAT the National Assembly of Québec severely censure the Liberal Government for its 2015–2016 budget that will make the vast majority of Quebecers poorer, notably by imposing tariffs and postponing the abolishment of the health contribution, and whose budgetary policy directions deprive the Québec State of the means necessary to fund public services and social programs, by refusing, among other things, to impose a capital tax on banks and introduce vigorous measures to reduce the costs of prescription drugs.
