(180) Mrs. Samson (Iberville) – **28 April 2016**

To the Minister for Rehabilitation, Youth Protection, Public Health and Healthy Living

For the past 18 years, Maison Miclette of Saint-Jean-sur-Richelieu has acted as an intermediate resource and has been providing care for the elderly suffering from cognitive impairment, loss of autonomy and memory loss. This residence supports its clients living with an illness and allows them to live out their days in a home-like living environment, in comfort and dignity, cared for by staff with whom they are familiar. It also provides support to families and the possibility of taking part in palliative care.

Since 1 January 2016, Maison Miclette's monthly stipend has undergone a \$10,000 cut. Maison Miclette faces the possibility of no longer being able to provide its services to the community. Concretely, its patients will be obliged to leave the residence to live out their days in a CHSLD. The collective agreement aiming to temporarily maintain stipends, for certain intermediate resources, ended on 31 December 2015 since the parties were unable to agree to an alternative solution within the framework of the collective agreement renewal.

Since then, the owners of Maison Milette have downsized and let their staff members go and must themselves provide care to their clients, 24 hours a day, 7 days a week.

For the sake of transparency and to give this matter an adequate follow-up, would the Minister answer the following questions as soon as possible:

How can Maison Milette ensure its long-term survival?

Can the Minister intervene to ensure the future of Maison Milette?
