(196) Mrs. David (Gouin) – **4 October 2016**
To the Minister of Employment and Social Solidarity

In committee, the Minister argued that the Aim for Employment Program, introduced by Bill 70, must contain "reciprocity" measures and financial penalties. To back up his argument, the Minister referred several times to the fact that the current programs have poor participation rates. In follow-up to these discussions, I have questions for the Government with regard to the statistical information relating to the discussions on the Aim for Employment Program.

In order to have a dispassionate and informed debate, I ask the Minister to provide the following statistics for the last three calendar years (2013 to 2015):

1. How many persons applied for social assistance?
2. Among these persons, how many:
 - a. were deemed as having a temporarily limited capacity or a severely limited capacity?
 - b. got off social assistance within a year?
 - c. took part in an employment assistance measure?
 - i. and which measures?
 - ii. with which organizations (the CLE directly, CJE, integration groups, etc.)?
 - iii. for how long?
 - d. completed or discontinued these measures?
 - i. on what grounds in the case of discontinuation?

Can the Minister provide us with these statistics broken down and with references, particularly regarding family status, gender, age, region, educational attainment, citizenship, etc.?
