- (242) Mr. Bonnardel (Granby) – **11 May 2017**
To the Minister of Finance

In the monthly reports on financial transactions for fiscal 2016-2017, published by the Ministry of Finance, the budgetary balance forecast for non-budget-funded bodies and special funds, which appears on page 1, went from \$424 million, to -\$37 million and to -\$727 million during the fiscal year. The first forecast was taken from the March 2016 Economic Plan, the second from the October 2016 Economic Plan Update and the last from the March 2017 Economic Plan.

Can the Ministry of Finance provide a breakdown of the changes made to revenues and/or expenditures of non-budget-funded bodies and special funds for the budgetary balance forecast for both of these consolidated entities to go from \$424 million, to -\$37 million and to -\$727 million, for fiscal 2016-2017?
