ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Pursuant to Standing Orders 275 and 276, continuation of the debate on the motion by the Minister of Finance, –That this Assembly approves the budgetary policy of the Government,

And on the motions stating a grievance moved by:

The Member for Rousseau:

THAT the National Assembly severely censure the Liberal Government for having presented a completely irresponsible, pre-electoral budget.

The Member for Granby:

THAT the National Assembly severely censure the Liberal Government for its pre-electoral budgetary policy designed to artificially inflate the expenditures resulting from the increased tax burden on Québec families since beginning its term of office in 2014.

The Member for René-Lévesque:

THAT the National Assembly severely censure the Liberal Government for having presented a budget that consolidates Air Canada's monopoly, that favours the high cost of airfares in the regions and that penalizes citizens who want to travel throughout Québec at a reasonable price.

The Member for La Peltrie:

THAT the National Assembly severely censure the Liberal Government for the 4-year delay in carrying out work related to the third link between Québec City and Lévis and for misleading the people of Québec City and its environs about its true intentions regarding realization of the third link project.

The Member for Chicoutimi:

THAT the National Assembly severely censure the Liberal Government for having presented a pre-electoral budget funded by using a stabilization reserve accounting entry to avoid having to post a deficit.

The Member for Saint-Jérôme:

THAT the National Assembly severely censure the Liberal Government for having presented a budget that contains no measures to improve electric fast-charging infrastructure.

The Member for Berthier:

THAT the National Assembly severely censure the Liberal Government for having presented a budget that ignores the next generation of Québec farmers.

The Member for Sainte-Marie–Saint-Jacques:

THAT the National Assembly censure the Liberal Government for its 2018–2019 budget, which perpetuates the unfair tax treatment of Québec businesses compared to digital platforms based abroad as concerns collection of the Québec sales tax.

The Member for Pointe-aux-Trembles:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that will bring about a return to austerity after the general election.

The Member for Levis:

THAT the National Assembly severely censure the Liberal Government for underinvesting in health, thereby cutting direct services to persons who are vulnerable, for the alarming state of hospital buildings, long-term senior care facilities and youth centres, and for paying unjustified salary increases to medical specialists while more important needs are not being met.

The Member for Gouin:

THAT the National Assembly censure the Liberal Government for its 2018–2019 budget which, as a result of the tax reductions granted since the beginning of this Legislature, has deprived public finances of over \$3.5 billion per year.

The Member for Chambly:

THAT the National Assembly severely censure the Liberal Government for underinvesting in education, thereby cutting direct services to students, and for the alarmingly decrepit state of Québec schools.

The Member for Saint-Jean:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that leaves out persons with special needs.

The Member for Jonquière:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that does not make up for cuts made to environment spending since 2014.

The Member for Masson:

THAT the National Assembly severely censure the Liberal Government for its inaction in the Centre hospitalier Pierre-Le Gardeur expansion file, which has been stuck at the Québec infrastructure plan (PQI) planning stage since 2014.

The Member for Taillon:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that neglects those who are most vulnerable and jeopardizes equal opportunity.

The Member for Joliette:

THAT the National Assembly severely censure the Liberal Government for presenting a budget that favours private, commercial, for-profit daycare centres to the detriment of early childcare centres.
