Oral Questions and Answers

The President gave a directive on modifications in the distribution of certain measures and speaking times having become necessary following changes in the composition of the Assembly, which has had two additional independent Members since the adjournment of proceedings in December.

RULING FROM THE CHAIR

As regards Question Period, the new independent Member from the Third Opposition Group will be granted three questions per 10-sitting cycle, as in the case of the other independent Members. These questions will be in 7th place, in substitution for the questions previously granted to the Third Opposition Group.

In addition, given that the Third Opposition Group now has eight Members, the questions that belonged to this group in the 8th place will now be given to the Second Opposition Group in order to better reflect the relative proportion of these groups. Furthermore, because of the difference in the number of Members between the Second and Third Opposition Group, it is necessary to change the order of the questions assigned to these groups. The Second Opposition Group will therefore now have the right to ask questions in the 4th place of a Question Period for six sittings per cycle of 10, instead of half the time. Accordingly, the Third Opposition Group will now have the right to questions in the 4th place for four sittings in 10.

Regarding Statements by Members, all independent Members will continue to be entitled to make one statement per cycle of 10 sittings, in 8th place. Members who not intend to exercise this right must inform their parliamentary group, and the Chair, no later than 12:30 p.m. on the day before the sitting for which they had the right to make a statement. The parliamentary group thus notified will be able to make use of this statement.

As for the distribution of Business Standing in the Name of Members in Opposition and interpellations, which was conducted based on a cycle of 10, it will now be conducted based on a cycle of 13. The parliamentary group forming the Official Opposition will therefore have two additional measures per cycle and the Second Opposition Group will have one additional measure.

2 February 2021

Lastly, as regards the distribution of speaking times during limited debates, the time allotted for independent Members is increased, so that the new independent Members will have the right to times equivalent to those that were until now granted to the other independent Members. For good time management, given that any time not used by independent Members will be returned to the parliamentary groups based on the usual proportions, the independent Members will always have 10 minutes starting from the beginning of a limited debate to notify the Chair of their intention to speak during the debate.

The President then tabled the following:

Tables indicating the distribution of measures and the allocation of speaking times for Question Period, Statements by Members, Business Standing in the Name of Members in Opposition, interpellations and limited debates.

(Sessional Paper No. 2250-20210202)

The Assembly proceeded to Oral Question Period.

Motions Without Notice

By leave of the Assembly to set aside Standing Order 185, Mr. Legault, Premier, together with Ms. Anglade, Leader of the Official Opposition, Ms. Massé, Leader of the Second Opposition Group, Mr. Bérubé, Leader of the Third Opposition Group, Mr. Ouellette (Chomedey), Ms. Fournier (Marie-Victorin) and Mr. LeBel (Rimouski), moved:

THAT the National Assembly honour the memory of Quebecers Ibrahima Barry, Mamadou Tanou Barry, Khaled Belkacemi, Abdelkrim Hassane, Azzeddine Soufiane and Aboubaker Thabti, who lost their lives on 29 January 2017 while gathered in prayer at the Islamic Cultural Centre of Québec City;

THAT it offer its most sincere condolences to the families and loved ones of those lost as well as to the entire Québec Muslim community;

2 February 2021

THAT it applaud the courage and the strength of all the women and men who have been forever marked by this tragic event, especially those who were injured and must live with the consequences now and for a long time to come;

THAT it condemn without any qualification the hate speech and hateful acts directed toward the Muslim community;

THAT it recall the importance of tirelessly defending our values of freedom, openness, tolerance, fraternity and solidarity;
