ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Pursuant to Standing Orders 275 and 276, continuation of the debate on the motion by the Minister of Finance – That this Assembly approves the budgetary policy of the Government,

And on the motions stating a grievance moved by:

The Leader of the Official Opposition

THAT the National Assembly severely censure the CAQ government for its denial of the labour shortage and for not presenting the concrete solutions to which it has access to resolve this challenge now.

The Member for Jonquière:

THAT the National Assembly severely censure the CAQ government for the lack of vision toward a green and fair transition in this budget.

The Member for Sherbrooke:

THAT the National Assembly severely censure the CAQ government for its 2021–2022 budget which does not alleviate underinvestment in education and early childcare sectors, thereby contributing to the perpetuation of inequalities, especially gender inequality.

The Member for Gaspé:

THAT the National Assembly severely censure the CAQ government for the lack of adequate funding for the network of shelters for abused women.

The Member for Fabre:

THAT the National Assembly severely censure the CAQ government for having abolished the Caregiver Support Fund in the budget.

The Member for Mercier:

THAT the National Assembly censure the CAQ government for its 2021–2022 budget, which does not provide the resources or necessary means to meet the requirements of protecting the environment and fighting against climate change.

The Member for Verdun:

THAT the National Assembly severely censure the CAQ government for its lack of budget investments in shelters for women who are victims of domestic violence.

The Member for Jean-Lesage:

THAT the National Assembly denounce, in the context of the 2021–2022 budget, the CAQ government’s submission to the Canadian system that deprives Québec of crucial levers to deal with the pandemic and carry out a green and fair recovery.

The Leader of the Second Opposition Group

THAT the National Assembly censure the CAQ government for its 2021–2022 Budget, “Québec is Resilient and Confident”, due to its lack of ambition when it comes to the economic and ecological transition, and for promising a resilient Québec society but does not provide the measures necessary to attain this and also fails to acknowledge the inadequate level of preparedness of our industries, cities, institutions and communities for the inevitable impacts of climate change.

The Member for Joliette

THAT the National Assembly severely censure the CAQ government for:

The significant increase in the number of children waiting for a space in an educational childcare service;

The decline, for a third consecutive year, in investments provided for in the Québec Infrastructure Plan to ensure the development of new subsidized childcare spaces;

The fact that many parents are now forced to delay returning to the workforce due to lack of access to a childcare space for their child;

The lack of means, vision and proactivity to deal with the unprecedented shortage of educators and the serious lack of spaces in educational childcare services.

The Member for Maurice-Richard

THAT the National Assembly severely censure the CAQ government for its budget, which does not offer a sustainable solution to the labour shortage in Québec's health services, nor a concrete plan to catch up on the surgeries delayed due to the COVID-19 pandemic.

The Member for LaFontaine

THAT the National Assembly severely censure the CAQ government for having presented a budget that does not include a comprehensive plan to address the childcare services crisis and meet the needs of the 51,000 families waiting for a space for their child.

(228) Mr. LeBel (Rimouski) – **15 April 2021**
To the Government

The Québec government acquired the ports of Rimouski, Matane, Gaspé and Gros-Cacouna from the Canadian government on 30 March 2020. It took three years of negotiations to complete the acquisition. According to the President and CEO of the Société portuaire du Bas-Saint-Laurent et de la Gaspésie, Ms. Anne Dupéré, we inherited structures from the federal government that were in very poor condition. Structures whose deterioration is accelerated each year by snow and wind storms.

Time is of the essence, and due to Ottawa's neglect in past years, it seems obvious that a lot more time will be required to modernize these ports that are key for eastern Québec's economy. According to the port corporation, work is not slated to begin before 2023 or 2024, "provided everything goes well".

The transfer of property from Ottawa to Québec City was accompanied by a cheque for nearly \$150 million to carry out this work, which is considered major. People closely involved in this issue are convinced that the \$150 million from Ottawa will not be enough. This is a matter of concern to the port corporation's board of directors.

My question is the following:

Can the Government confirm the timelines for work to begin and does it think that the \$150 million transferred from Ottawa will be sufficient to modernize these four ports? If not, does it intend to take the matter up again with Ottawa, which is responsible for the deterioration of these ports, or does it intend to provide the funds for the work itself?
