ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Resuming the debate, adjourned on **28 October 2021**, on the motion by the Premier, —That this Assembly approves the general policy of the Government,

And on the motions stating a grievance moved by:

The Leader of the Official Opposition:

THAT the National Assembly severely censure the Premier for having presented an assessment of the Government's actions without including a true innovative and ambitious vision for Québec's future and solutions for the two major crises that Québec faces: the fight against climate change and the labour shortage.

The Member for Marguerite-Bourgeoys:

THAT the National Assembly severely censure the CAQ government for its lack of vision and lack of a plan for the future development of higher education in Québec.

The Member for Jonquière:

THAT the National Assembly severely censure the CAQ government for its lack of vision and ambition as regards environmental protection and the fight against climate change, as well as for the lack of a serious and credible plan to deal with the climate emergency.

The Member for Sainte-Marie–Saint-Jacques:

THAT the National Assembly severely censure the Coalition avenir Québec government for its inability to identify the causes that negatively affect the mental health and well-being of our young adults and to take action in this regard.

The Member for Verdun:

THAT the National Assembly severely censure the CAQ Government for its lack of coherence as regards the fight against climate change and the lack of a concrete plan to achieve the Québec targets for reducing GHG emissions.

The Member for Laurier-Dorion:

THAT the National Assembly severely censure the Coalition avenir Québec government for its denial of the housing crisis affecting all of Québec.

The Member for Mont-Royal–Outremont:

THAT the National Assembly severely censure the CAQ government for the price shock that Québec households and businesses must endure in April 2022 due to the significant increase that will occur in electricity bills in the midst of economic recovery.

The Member for Iberville:

THAT the National Assembly censure the Premier of Québec for weaponizing the pandemic to justify his failure to fulfill several of his election promises, while declaring a state of health emergency, granting himself extraordinary powers and governing by decree without accountability.

The Member for Mercier:

THAT the National Assembly severely censure the Coalition avenir Québec government for its lack of vision for the necessary ecological transition of our economy.

The Member for Gaspé:

THAT the National Assembly severely censure the CAQ government for its lack of vision and interest in regional development and land use, particularly with regard to the attraction and retention of youth in the regions of Québec.

The Member for Nelligan:

THAT the National Assembly severely censure the CAQ government for its lack of vision in economic matters and its systematic refusal to recognize the number one problem facing our businesses, namely the labour shortage in all regions of Québec.

The Member for Rouyn-Noranda–Témiscamingue:

THAT the National Assembly severely censure the Coalition avenir Québec government for its lack of ambition in fighting the climate crisis and the biodiversity crisis, two inseparable crises.

The Member for Acadie:

THAT the National Assembly severely censure the CAQ government for its lack of vision in providing support to creators and the cultural community and in preserving Québec's heritage.

The Member for Robert-Baldwin:

THAT the National Assembly severely censure the CAQ government for its lack of depth as regards the fight against climate change and the principles of green taxation.

The Member for D'Arcy-McGee:

THAT the National Assembly severely censure the CAQ government for its inaction when faced with the magnitude of the mental health crisis brought on by the pandemic and in response to increasing wait times for access to services.

The Member for Westmount–Saint-Louis:

THAT the National Assembly severely censure the CAQ government for the lack of strong measures to support people living in poverty due to the rising cost of living.

The Member for Hochelaga-Maisonneuve:

THAT the National Assembly severely censure the Coalition avenir Québec government for having refused to substantially increase the minimum wage in order to address the rising cost of living.

The Member for Joliette:

THAT the National Assembly severely censure the CAQ government, whose negligence and inaction have led to the worst crisis in the history of Québec's educational childcare services, while a record number of parents are waiting for a subsidized space for their children and the shortage of educators is such that the qualified educator ratio has been lowered and service disruptions are a daily occurrence.

WRITTEN QUESTIONS

*Questions already placed on the Order Paper
are published each Wednesday*

- (11) Mr. Arseneau (Îles-de-la-Madeleine) – **2 November 2021**
To the Minister of Health and Social Services

Every year, 7,000 Quebecers are diagnosed with colorectal cancer, and 2,700 die from it. This cancer is the second deadliest in Québec. Early detection is the key to increasing patient survival rates, the idea being to detect the cancer at an early stage, before the signs and symptoms of the disease appear.

Currently, Quebecers must have a prescription to take an iFOBT (immunochemical fecal occult blood test). In the context of a shortage of family doctors, this is an obstacle to accessing the test. However, according to the Canadian Cancer Society, the 5-year survival rate for this type of cancer is 90% in the case of an early stage detection, but only 13% for an advanced stage cancer, which shows the importance of early detection.

In Québec, unlike elsewhere in Canada, we still do not have an organized colorectal cancer screening program. And yet, in 2016, a \$10 million investment was announced to launch the PQDCCR (Québec Colorectal Cancer Screening Program) in 2018; we are now at the end of 2021, and the program has still not been implemented.

Given this situation, our questions to the Minister of Health and Social Services are as follows:

- Will the Minister of Health and Social Services commit to implementing the PQDCCR in all regions of Québec by the end of next year? If not, will the Minister of Health and Social Services commit to providing a timeline for implementation of the PQDCCR?
- Will the Minister of Health and Social Services explain why the PQDCCR implementation has been delayed for years, despite millions of dollars in investments?
