- (97) Ms. Lakhoyan Olivier (Chomedey) – **13 February 2024**
To the Minister of Tourism

In recent weeks, I learned that the Classique internationale de canots de la Mauricie would be coming to an end after 90 years of existence, due to financial problems. Rising travel costs and weather-related risks have contributed to these issues, as have the pandemic years.

This event attracted several thousand people to the Rivière Saint-Maurice, bringing economic benefits to local restaurant and business owners.

Does the Minister of Tourism have a plan to save this historic event for tourism in the Mauricie region?
