Part 5

WRITTEN QUESTIONS

*Questions already placed on the Order Paper
are published each Wednesday*

(104) Mr. Morin (Acadie) – **12 March 2024**

To the Minister Responsible for Relations with the First Nations and the Inuit

Last 12 and 13 September, special consultations and public hearings were held on Bill 32, An Act to establish the cultural safety approach within the health and social services network.

Since then, we have heard nothing about the bill.

Can the Minister tell us what his intentions are for the future of this bill?

(105) Mr. Ciccone (Marquette) – **12 March 2024**

To the Minister of Health

On 11 January 2024, an article on vaping published in *La Presse* entitled “Vapotage — Y a des limites à se faire niaiser” reported that, although the sale of non-tobacco flavoured vaping products has been banned since 31 October 2023, the Minister of Health’s new regulation misses the mark.

Many dépanneurs and specialty shops are flouting the rules by selling a plethora of flavour concentrates that can easily be mixed with a neutral e-liquid base. Considering that merchants admit to not knowing what exactly is in these flavours, with some suggesting the products may be carcinogenic if inhaled, does the Minister have a plan to ensure compliance with his regulation, and especially, to protect the health of young Quebecers?
