(141) Ms. Cadet (Bourassa-Sauvé) – **31 May 2024**

To the Minister of the French Language

According to the 2023–2027 strategic plan of the Office québécois de la langue française, 84% of the agencies of the civil administration hold a certificate of compliance as required by the *Charter of the French Language*.

Through an access to information request, we recently found out that the following three departments do not have their certificates of compliance: the Ministère de la Cybersécurité et du Numérique, the Ministère de l'Emploi et de la Solidarité sociale and the Ministère de l'Enseignement supérieur.

Can the Minister tell us why these departments do not yet have their certificates or attestations of compliance, the measures that have been implemented to rectify the situation, and the Government's timeframe in this respect?
