(142) Ms. Ghazal (Mercier) – **4 June 2024**

To the Minister of Education

The Ministère de l'Éducation implemented a financial assistance program for the retention of school bus drivers to address the labour shortage in the school transportation sector.

In order to qualify for this compensation, bus drivers must have worked at least 97% of their scheduled working days. The program also specifies that drivers who were on strike or locked out during a payment period are not eligible for the compensation.

Although this program is a welcome initiative, I believe it must be revised so as to avoid excessive penalties for bus drivers, whose wages already fail to measure up to the important work they do for our youth and families.

Does the Minister intend to revise the financial assistance program for the retention of school bus drivers to expand its scope and reduce the barriers to receiving financial assistance payments?
