Part 5

WRITTEN QUESTIONS

*Questions already placed on the Order Paper
are published each Wednesday*

(254) Ms. Lakhoyan Olivier (Chomedey) – **27 February 2025**
To the Minister of Tourism

Since December 2024, neither the elected municipal officials nor the citizens of Beaupré and Saint-Ferréol-les-Neiges have had access to the \$100 million agreement between the Québec government and Resorts of the Canadian Rockies, operator of the Mont-Sainte-Anne resort.

Why does the agreement remain confidential despite repeated requests from local stakeholders and concerned citizens?

Why do Sépaq and the Québec government refuse to make public the investment plans related to this agreement, even though they involve public property?

Can the Minister of Tourism commit to disclosing the relevant information on this agreement and to ensuring better transparency on this matter?

(255) Ms. Lakhoyan Olivier (Chomedey) – **27 February 2025**
To the Minister of Tourism

The labour shortage in the hotel sector continues to pose a major challenge for Québec's tourism industry.

Many establishments are struggling to fill vacant positions, in particular in preparation for the summer season.

With the recent regulatory changes concerning temporary foreign workers and the moratorium on certain permanent immigration programs in effect until 30 June 2025, many hotel operators are up against even greater obstacles with regard to recruiting the workforce that is necessary for their operations.

What concrete measures does the Minister have planned to support the hotel sector in the face of this growing staff shortage?

(256) Ms. Prass (D'Arcy-McGee) – **27 February 2025**

To the Minister Responsible for Social Services

With the closure of winter shelters at the end of March, hundreds of homeless people may not have a shelter solution, at a time when the weather conditions are not yet safe for living outdoors.

This situation increases pressure on public infrastructures, in particular the Société de transport de Montréal (STM) network, where many people seek shelter, which raises cohabitation and user safety issues.

Can the Minister specify what concrete measures will be implemented to ensure that these people are not without shelter in April?

Is the Government planning to allocate additional resources or to extend certain measures to support these vulnerable people?

How is the department working with the STM and other stakeholders to minimize the impact on public transit and ensure effective care for people experiencing homelessness during this critical period?

Lastly, does the Government plan to implement temporary housing solutions or adapt existing infrastructures in order to offer viable alternatives to homeless people?
