**BUSINESS HAVING PRECEDENCE**

- (1) Pursuant to Standing Orders 275 and 276, continuation of the debate on the motion by the Minister of Finance, –That this Assembly approve the budgetary policy of the Government,

And on the motions stating a grievance moved by:

**The Member for Marguerite-Bourgeoys:**

THAT the National Assembly severely censure the CAQ government, guilty of repeated budget deficits, for its lack of vision, rigour, and control in the management of public finances.

**The Member for Verdun:**

THAT the National Assembly censure the CAQ government for refusing to include in its budget new measures to access additional revenues from the wealthiest members of our society and thus lessen the impacts of CAQ austerity on the Québec population.

**The Member for Jean-Talon:**

THAT the National Assembly severely censure the Government for its 2025–2026 budget, which provides for a historical deficit of \$13.6 billion due to a lack of vision and poor management of public finances.

**The Leader of the Official Opposition:**

THAT the National Assembly severely censure the CAQ government for tabling a 2025–2026 budget that sets a record deficit and for its inability to provide Quebecers the services they are entitled to.

**The Member for Laurier-Dorion:**

THAT the National Assembly censure the CAQ government and the Minister Responsible for Housing for their lack of political will in addressing the housing crisis and for the lack of new investments for the construction of social housing and effective measures to control the spiralling inflation and speculation in the housing sector in its 2025–2026 budget.

**The Member for Chomedey:**

THAT the National Assembly severely censure the CAQ government for its lack of planning and vision for Québec’s tourism industry.

**The Member for Taschereau:**

THAT the National Assembly censure the CAQ government for its unfair budget, which abolishes the fiscal shield supporting 140,000 disadvantaged people.

**The Member for La Pinière:**

THAT the National Assembly severely censure the CAQ government for its tabling of the 2025–2026 budget, which does not meet the urgent and increasing needs of seniors with regard to in-home support.

**The Member for Jean-Lesage:**

THAT the National Assembly censure the Coalition avenir Québec government and the Minister of Education for its 2025–2026 budget, which does not meet the huge challenges in the education system that are undermining student success, such as the labour shortage, the dilapidated schools and the three-tiered system causing school segregation.

**The Member for Bourassa-Sauvé:**

THAT the National Assembly severely censure the CAQ government for tabling a 2025–2026 budget that does not meet the needs of the education network.

**The Member for Maurice-Richard:**

THAT the National Assembly censure the CAQ government and the Minister of Economy, Innovation and Energy for its budget, which does not include measures to nationalize wind farms or significant investments in the ecological transition, and which deprives Québec of strategic levers and vital State revenues in a context where major investments in clean and public energy are both an ecological necessity and a major economic opportunity for Québec.

**The Member for D’Arcy-McGee:**

THAT the National Assembly severely censure the CAQ government for tabling a 2025–2026 budget that does not guarantee the resources and means necessary to meet users’ needs or maintain social services for the population in a sustainable manner.

**The Leader of the Second Opposition Group:**

THAT the National Assembly censure the CAQ government for not addressing, in its budget, the actual complaints of workers, the ones who are the real creators of wealth.

**The Member for Hochelaga-Maisonneuve:**

THAT the National Assembly censure the CAQ government and the Minister of the Environment, the Fight Against Climate Change, Wildlife and Parks for its budget, which sends the wrong signal about the urgent need to take action on climate change, while Québec is still far from achieving its decarbonization goals.

**The Member for Mille-Îles:**

THAT the National Assembly severely censure the CAQ government for its inability to address the housing crisis by neglecting both to support residential construction and to adopt measures to facilitate access to property.

**The Member for Sainte-Marie–Saint-Jacques:**

THAT the National Assembly severely censure the CAQ government for giving up on the educational success of Indigenous students and for ignoring the Auditor General of Québec’s alarming findings on the educational success of Indigenous students.

**The Member for Westmount–Saint-Louis:**

THAT the National Assembly severely censure the CAQ government for slashing public security budgets while Québec is experiencing a significant increase in violence and disasters.

**The Member for Mont-Royal–Outremont:**

THAT the National Assembly severely censure the CAQ government for its improvisation and its 2025–2026 budget which, as a result of its cuts, weakens higher education and causes our CEGEPs and universities to lose ground.

**The Member for Saint-Henri–Sainte-Anne:**

THAT the National Assembly censure the CAQ government for its lack of an action plan in its budget to adequately respond to all the recommendations of the Laurent report and ensure the well-being of Québec children, in particular those under the State’s guardianship.

**The Member for Saint-Jérôme:**

THAT the National Assembly censure the Government for not conducting the rigorous examination of budgetary expenditures it had promised.

**The Member for Pontiac:**

THAT the National Assembly severely censure the CAQ government for its budget, which further weakens an already fragile network through a reform introducing an additional structure, the addition of public servants, and the reduction of direct services for the population.

**The Member for Notre-Dame-de-Grâce:**

THAT the National Assembly severely censure the CAQ government for its lack of vision and investments in the fight against poverty and social inequalities.

**The Member for Rosemont:**

THAT the National Assembly severely censure the CAQ government for choosing to subject the health and social services network to chronic underfunding for the coming years.

**The Member for Robert-Baldwin:**

THAT the National Assembly severely censure the CAQ government for its inaction with regard to the construction of shelters for women who are victims of domestic violence despite the critical situation experienced by these women.

**The Member for Sherbrooke:**

THAT the National Assembly severely censure the CAQ government for not making the investments required to implement the urgent shift toward home care and support services, as recommended by the Health and Welfare Commissioner, to adequately respond to the colossal issues stemming from the aging of Québec's population.

**The Member for Acadie:**

THAT the National Assembly severely censure the CAQ government for reducing funding for the "International Affairs" program of the Ministère des Relations internationales et de la Francophonie and the scope of actions for Québec's market diversification.

**The Member for Nelligan:**

THAT the National Assembly severely censure the CAQ government for the tabling of its 2025–2026 budget, which places public transportation at the bottom rank of its priorities.
