- (1) Resuming the debate, adjourned on **7 May 2026**, on the motion by the Premier, –That the Assembly approve the Government’s general policy.

And on the motions stating a grievance moved by:

**The Leader of the Official Opposition:**

THAT the National Assembly severely censure the CAQ government for its lack of concrete results, the weakening of its commitments to Quebecers, and a stale vision that is ill-suited to the challenges of today.

**The Leader of the Second Opposition Group:**

THAT the National Assembly censure the CAQ government for its negligence regarding the maintenance of our public infrastructure, its lack of ambition in carrying out an economic and ecological transition that addresses current issues, and its marked disinterest for the difficulties experienced by Québec tenants.

**The Member for Marquette:**

THAT the National Assembly severely censure the CAQ government for its lack of measures to address the rising cost of living, in a context where food banks face a substantial increase in requests and Quebecers have to go into debt to eat, as well as for ignoring that reality in the Opening Speech.

**The Member for Verdun:**

THAT the National Assembly severely censure the CAQ government for its inability to curb the sharp rise in the cost of groceries and to protect Québec households with regard to the excessive profits of large grocery chains.

**The Member for Bourassa-Sauvé:**

THAT the National Assembly severely censure the CAQ government for its lack of vision and ambition in education, its lone guideline being to avoid slashing, this time, the already strained budgets for services to students.

**The Member for Mont-Royal–Outremont:**

THAT the National Assembly censure the Government for having damaged the attractiveness and stability of Québec's higher education network and for having no plan to address the consequences of its own policies.

**The Member for Acadie:**

THAT the National Assembly severely censure the Government for its intent to continue its constitution project without consulting the First Nations and the Inuit.

**The Member for Laurier-Dorion:**

THAT the National Assembly censure the CAQ government for removing tenants from its priorities and for policies that impoverish them, in a context where tenants are severely impacted by the housing crisis and the average rent has increased by 64% over the last eight years.

**The Member for Jacques-Cartier:**

THAT the National Assembly severely censure the CAQ government for its Opening Speech, which does not meet the needs of the youth and which lacks vision for future generations.
