ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Resuming the debate, adjourned in the name of the Member for Hochelaga-Maisonneuve on **3 June 2026**, on the motion by the Premier, —That the Assembly approve the Government’s general policy.

And on the motions stating a grievance moved by:

The Leader of the Official Opposition:

THAT the National Assembly severely censure the CAQ government for its lack of concrete results, the weakening of its commitments to Quebecers, and a stale vision that is ill-suited to the challenges of today.

The Leader of the Second Opposition Group:

THAT the National Assembly censure the CAQ government for its negligence regarding the maintenance of our public infrastructure, its lack of ambition in carrying out an economic and ecological transition that addresses current issues, and its marked disinterest for the difficulties experienced by Québec tenants.

The Member for Marquette:

THAT the National Assembly severely censure the CAQ government for its lack of measures to address the rising cost of living, in a context where food banks face a substantial increase in requests and Quebecers have to go into debt to eat, as well as for ignoring that reality in the Opening Speech.

The Member for Verdun:

THAT the National Assembly severely censure the CAQ government for its inability to curb the sharp rise in the cost of groceries and to protect Québec households with regard to the excessive profits of large grocery chains.

The Member for Bourassa-Sauvé:

THAT the National Assembly severely censure the CAQ government for its lack of vision and ambition in education, its lone guideline being to avoid slashing, this time, the already strained budgets for services to students.

The Member for Mont-Royal–Outremont:

THAT the National Assembly censure the Government for having damaged the attractiveness and stability of Québec's higher education network and for having no plan to address the consequences of its own policies.

The Member for Acadie:

THAT the National Assembly severely censure the Government for its intent to continue its constitution project without consulting the First Nations and the Inuit.

The Member for Laurier-Dorion:

THAT the National Assembly censure the CAQ government for removing tenants from its priorities and for policies that impoverish them, in a context where tenants are severely impacted by the housing crisis and the average rent has increased by 64% over the last eight years.

The Member for Jacques-Cartier:

THAT the National Assembly severely censure the CAQ government for its Opening Speech, which does not meet the needs of the youth and which lacks vision for future generations.

The Member for Jean-Lesage:

THAT the National Assembly censure the CAQ government for its lack of consideration for Quebecers from immigrant backgrounds and its persistence in unfairly blaming them for its mismanagement of public finances, the housing crisis and the underfunding of our public services.

The Member for Marguerite-Bourgeoys:

THAT the National Assembly severely censure the CAQ government for the mismanagement of public finances, the improper use of public funds and the implementation of measures that do not promote the economic development of Quebecers, that maintain a weak average GDP growth of 1 % and that have caused an unacceptable decrease in productivity over the last term.

The Member for Jean-Talon:

THAT the National Assembly censure the CAQ government for its reductive and provincial vision for Québec's international relations.

The Member for Jeanne-Mance–Viger:

THAT the National Assembly severely censure the CAQ government for its lack of vision regarding our SMEs in the regions, in particular because of its preference for foreign companies.

The Member for Sainte-Marie–Saint-Jacques:

THAT the National Assembly severely censure the CAQ government for denying the right to self-determination of our Anishinabeg, Atikamekw, W8banaki, Naskapis, Wendat, Eeyou, Innu, Kanien'keha:ka, Mi'gmaq, Wolastoqiyik and Inuit brothers and sisters by refusing to adopt legislation on the application of the United Nations Declaration on the Rights of Indigenous Peoples before the end of the current term.

The Member for Notre-Dame-de-Grâce:

THAT the National Assembly denounce the CAQ government's delay in giving Québec a real market diversification strategy and in preparing the revision of CUSMA, in a context in which Québec is excessively reliant on the United States while Québec companies, exporter regions and workers are already heavily affected by commercial uncertainty, particularly in key sectors such as steel, aluminum and lumber.

The Member for Maurice-Richard:

THAT the National Assembly censure the CAQ government for its record on social, societal and climate issues.

The Member for La Pinière:

THAT the National Assembly severely censure the CAQ government for the total lack of measures to address the seniors' housing crisis in the Opening Speech.

The Member for Westmount–Saint-Louis:

THAT the National Assembly censure the CAQ government for cutting funding for PSPNET, an online therapy program, available throughout Québec at all times, specifically designed for emergency workers such as police officers, firefighters, ambulance operators, correctional officers, emergency dispatchers, highway controllers and search and rescue teams.

The Member for Arthabaska:

THAT the National Assembly censure the CAQ government for failing to fulfil its responsibilities as a partner to municipalities, businesses, organizations and civil society as a whole.

The Member for Taschereau:

THAT the National Assembly severely censure the CAQ government for imposing unacceptable conditions of employment on community workers as a result of its chronic underfunding and its refusal to take action.

The Member for Mille-Îles:

THAT the National Assembly censure the CAQ government for committing considerable sums of money to unnecessary programs that do not adequately meet the needs of the most vulnerable households and contribute to worsening the affordability crisis.

The Member for Chicoutimi:

THAT the National Assembly censure the CAQ government for its poor understanding of regional issues and its failure to take action with regard to the development of Québec's regions.
