Bill 437

AN ACT RESPECTING SOCIÉTÉ INNOVATECH DU SUD DU QUÉBEC

THE PARLIAMENT OF QUÉBEC ENACTS AS FOLLOWS :

CHAPTER I

ESTABLISHMENT AND ORGANIZATION

1. Société Innovatech du Sud du Québec, a legal person established under chapter 19 of the statutes of 1995, shall be endowed with share capital.

2. The head office of the Société is in the territory described in Schedule A. Notice of any change of location shall be published in the *Gazette officielle du Québec*.

The board of directors of the Société may hold its meetings at any place in the territory described in Schedule A.

3. The Société is a mandatary of the State.

The property of the Société forms part of the domain of the State, but the execution of its obligations may be levied against its property.

The Société binds only itself when it acts in its own name.

4. The board of directors of the Société is composed of

(1) the chief executive officer ;

(2) eight other members appointed by the Government for a term not exceeding three years.

5. The Minister shall designate a delegate to the board of directors from among the personnel members of the Ministère de l'Industrie, du Commerce, de la Science et de la Technologie.

6. The delegate is not a member of the board of directors. However, the delegate is entitled to be called to meetings of the board of directors and to attend and speak at the meetings.

7. The Government shall appoint a chair from among the members of the board of directors. The chair shall preside at meetings of the board, oversee its operation and assume all other functions assigned to the chair by the Société.

8. The members of the board of directors shall appoint the chief executive officer of the Société for a term not exceeding five years. The chief executive officer is responsible for the administration and direction of the Société within the scope of its by-laws and policies.

The chief executive officer shall hold office on a full-time basis.

9. On the expiry of their term, the members of the board of directors shall remain in office until they are replaced or reappointed.

10. The Government shall fix the remuneration, employment benefits and other conditions of employment of the chief executive officer.

The other members of the board of directors are not remunerated, except in the cases, on the conditions and to the extent which may be determined by the Government. However, they are entitled to the reimbursement of expenses incurred in the exercise of their functions, on the conditions and to the extent determined by the Government.

11. Any vacancy occurring in the course of the term of office of a member of the board of directors shall be filled in accordance with the rules of appointment set out in section 4.

Absence from the number of meetings of the board of directors determined by an internal by-law of the Société constitutes a vacancy in the cases and circumstances indicated therein.

12. No act, document or writing is binding on or may be attributed to the Société unless it is signed by the chair of the board of directors, the chief executive officer or a member of the personnel of the Société designated by the chief executive officer and, in the latter case, only to the extent determined by an internal by-law of the Société.

Such a by-law may, on the conditions fixed therein, allow the signature to be affixed by means of an automatic device to the documents mentioned in the by-law. It may also allow a facsimile of the signature to be engraved, lithographed or printed on the documents mentioned therein. The facsimile has the same value as the signature itself.

13. The minutes of the meetings of the board of directors, approved by it and certified by the chair of the board, the secretary or by any other person authorized to do so by the Société, are authentic. The documents or copies emanating from the Société or forming part of its records are authentic if they are so certified.

An intelligible print-out of a decision or of any other data stored by the Société in computerized or other electronic form is a document of the Société and constitutes proof of its contents if certified by a person referred to in the first paragraph of section 12.

14. No member of the board of directors holding a full-time office with the Société or one of its subsidiaries may, under pain of forfeiture of office, have any direct or indirect interest in an enterprise putting the member's personal interest in conflict with that of the Société or one of its subsidiaries. However, such forfeiture is not incurred if the interest devolves to the member by succession or gift, provided it is renounced or disposed of with dispatch.

Every member of the board of directors other than a member holding a full-time office with the Société or one of its subsidiaries who has a direct or indirect interest in an enterprise putting the member's personal interest in conflict with that of the Société or one of its subsidiaries must, on pain of forfeiture of office, disclose such interest and withdraw from the meeting for the duration of the debate and of the making of a decision bearing upon any question relating to the enterprise in which the member has such an interest.

Every personnel member of the Société or one of its subsidiaries who has a direct or indirect interest in an enterprise putting the member's personal interest in conflict with that of the Société or one of its subsidiaries must, on pain of forfeiture of office, disclose such interest in writing to the chair of the board of directors of the Société or, as the case may be, its subsidiary.

15. The Société shall take up the defence of its directors prosecuted by a third person for an act done in the exercise of their functions and shall pay damages, if any, resulting from that act, unless they have committed a gross fault or a personal fault separable from the exercise of their functions.

Notwithstanding the foregoing, in a penal or criminal proceeding the Société shall assume the payment of the expenses of its directors only if they had reasonable grounds to believe that their conduct was in conformity with the law, or if they have been discharged or acquitted.

16. The Société shall assume the expenses of its directors if, having prosecuted them for an act done in the exercise of their functions, it loses its case and the court so decides. If the Société wins its case only in part, the court may determine the amount of the expenses the Société shall assume.

17. The Société shall assume the obligations referred to in sections 15 and 16 in respect of any person who acted at its request as director for a legal person of which it is a shareholder or creditor.

18. The secretary and the other members of the personnel of the Société shall be appointed and remunerated according to the standards, scales and staffing plan established by by-law of the Société. The by-law shall be submitted to the Government for approval.

CHAPTER II

The amounts, limits and terms and conditions determined under this section may apply to the group formed by the Société and its subsidiaries or to one or more members of the group.

This section does not apply to transactions between the Société and its subsidiaries or between the subsidiaries.

33. The Société must obtain the approval of the Minister of Industry, Trade, Science and Technology and the Minister of Finance where the amount of its financial participation in an initiative is greater than \$5,000,000, or the approval of the Government where that amount is greater than \$10,000,000.
