### **WRITTEN QUESTIONS**

Questions already placed on the Order Paper  
*are published each Wednesday*

- (6) Mr. Picard (Chutes-de-la-Chaudière) – **11 May 2011**  
To the Chair of the Conseil du trésor:

On 17 June 2004, the Member for Verdun tabled a petition (1092-20040617) for which he received no response. The text of the petition signed by employees and former employees of the Régie de l'assurance maladie du Québec (RAMQ) currently participating in the Civil Service Superannuation Plan (CSSP) or who participated in this same pension plan between 13 June 1969 and 1 November 1972 (date of the RAMQ's integration into the Québec Public Service), asks that a legislative amendment be made to allow service buyback for the aforementioned period.

According to the CARRA, only some twenty persons are still under section 25 despite its having lapsed 37 years ago, which made them RAMQ employees (private trustee pension plan) rather than Québec Public Service employees until 28 October 1972 (CSSP). Persons who transferred to the RREGOP or those who left the Public Service and returned thereafter were granted a derogation from this section of the Act for they were able to and may still buy back service carried out between 13 June 1969 and 1 November 1972.

On 3 May 2006, the Member for Chutes-de-la-Chaudière questioned the Chair of the Conseil du trésor on the inequitable situation experienced by this group of citizens. The Chair of the Conseil du trésor at the time indicated that she had in her possession a letter, dated 17 August 2005, indicating that a legislative amendment was required and that she would have to take a closer look at this matter as she was aware of the importance of improving services at the CARRA.

On 9 June 2006, a participant received a favourable judgment (no: 200-09-004975-048) regarding a case similar to that experienced by the RAMQ employees whose service buyback has been denied under the same section of the Act, namely section 96 of the CSSP Act.

This participant in the Civil Service Superannuation Plan (CSSP) addressed a service buyback request to the Commission administrative des régimes de retraite et d'assurances (CARRA) on 13 February 2002, for the period from 15 June 1971 to 22 January 1973. His request was denied on the grounds that it should have been sent in before 23 January 1974, pursuant to the provisions of section 96 of the CSSP Act, within twelve months following the day on which he began contributing to the Civil Service Superannuation Plan. On 7 January 2003, the participant requested that his case be reviewed. Subsequently, the latter went before the Comité de réexamen, then on to arbitration, etc. This is how, on 9 June 2006, this person received a favourable judgment bearing no. 200-09-004975-048 and that on 11 August 2006, the participant finally was able to buy back 1.57 years of service, at the then rate, of the CSSP contribution.

Will the Chair of the Conseil du trésor make the legislative amendments to re-establish trust in the Government institutions and give back to these twenty-odd persons their rightful share in a system that must be fair and equitable for everyone?
