EXPLANATORY NOTES

This bill amends the Act respecting the Pension Plan of Management Personnel to provide that new employees who begin their qualification period after 31 December 2012 must complete an additional 60-month membership period after qualifying for membership to benefit from the pension eligibility criteria and the provisions respecting the computation of the pension set out in the plan. Qualified employees who do not complete the additional membership period will be governed, with respect to those criteria and those provisions, by provisions similar to those set out in the Act respecting the Government and Public Employees Retirement Plan.

The Act respecting the Pension Plan of Management Personnel is also amended to enable the Government to provide adequate funding for the plan by paying certain amounts into the employees' contribution fund. Amendments to the Act also enable employees to retire without actuarial reduction if they are at least 55 years of age and if their age and their years of service total 90 or more. As amended, the Act withdraws the 35 years of service criterion for a pension without an actuarial reduction, increases the actuarial reduction that applies to the pension of an employee who anticipates the payment of his or her benefits, standardizes the provisions on a return to work and makes it possible for an employee to continue to be a member of the Pension Plan of Management Personnel until 31 December of the year during which he or she reaches the age of 71.

The Act respecting the Pension Plan of Management Personnel and the Act respecting the Government and Public Employees Retirement Plan are also amended to allow employees to redeem certain periods of absence from work without pay for parental or family reasons at a more advantageous cost than that currently provided for in the plans.

Lastly, various technical, consequential and transitional amendments are introduced.

LEGISLATION AMENDED BY THIS BILL:

- Act respecting the Government and Public Employees Retirement Plan (R.S.Q., chapter R-10);
- Act respecting the Pension Plan of Management Personnel (R.S.Q., chapter R-12.1).
