ORDERS OF THE DAY

BUSINESS HAVING PRECEDENCE

- (1) Pursuant to Standing Orders 275 and 276, continuation of the debate on the motion by the Minister of Finance, - That this Assembly approves in general the budgetary policy of the Government,

And on the motions stating a grievance moved by:

The Member for Rousseau:

THAT the National Assembly severely censure the Liberal Government for its 2012-2013 budget, which puts all the burden of the fiscal effort to restore fiscal balance on the middle class.

The Member for Richelieu:

THAT the National Assembly censure the Government for having underestimated government expenditure by \$10.3 billion during the period covered by the Plan to Restore Fiscal Balance, following the method established by the Auditor General in his report entitled "Audit of Financial Information and Other Related Work – Report of the Auditor General of Québec to the National Assembly for 2011-2012", published on 1 March 2012.

The Member for Rimouski:

THAT the National Assembly severely censure the Liberal Government for the 2012-2013 budget, which fails to respond to the report of the Auditor General of Québec, who considers that the doubtful accounts expense within the framework of tax recovery targets was significantly underestimated.

The Member for Marie-Victorin:

THAT the National Assembly censure the Government for having refused to decommission the Gently-2 nuclear generating station and for having set aside \$275 million for its refurbishment in the 2012-2013 budget.

The Member for Mercier:

THAT the National Assembly severely censure the Liberal Government and its 2012-2013 budget for having disregarded public opinion calling for the abolition of the health tax and the cancellation of the \$1625 increase in tuition fees, for having failed to significantly increase public scrutiny and participation in the natural resources sector, and for having failed to lay the foundation for job creation in Québec based on a greener solidarity economy.

The Member for Taschereau:

THAT the National Assembly severely censure the Liberal Government for its stubbornness in maintaining the health tax, which directly penalizes all Quebecers, particularly the middle class.

The Leader of the Official Opposition:

THAT the National Assembly severely censure the Liberal Government, which, in tabling its 2012-2013 budget, has failed to fulfil its economic and financial responsibilities by attacking middle-class families and students, while proving its inability to defend Québec's interests in Ottawa.

The Member for L'Assomption:

THAT the National Assembly severely censure the Liberal Government for the lack of necessary resources to ensure the ecological planning of the entire territory located north of the 49th parallel and for its failure to commit to the environmental protection of 50 % of this territory.

The Member for Taillon:

THAT the National Assembly censure the Government for maintaining its 75 % increase in tuition fees over a five-year period, as well as for its stubbornness in refusing to enter into a dialogue with the students and thus work toward settling the student strike.

The Member for Kamouraska-Témiscouata:

THAT the National Assembly censure the Liberal Government for the lack of measures in the budget to help agricultural producers going through a crisis.

The Member for Hochelaga-Maisonneuve:

THAT the National Assembly censure the Liberal Government for having cut \$23 million in the investment plan for seniors.

The Member for Saint-Jean:

THAT the National Assembly censure the Liberal Government for its 2012-2013 budget that follows the economic approach that led to the loss of 51,000 jobs in Québec in 2011, which is the worst record in Canada.
