EXPLANATORY NOTES

This bill amends the Act respecting elections and referendums in municipalities in order to reduce from \$1,000 to \$300 the total contributions that may be paid by the same elector in a municipality, in the same fiscal year, to each of the authorized political parties and authorized independent candidates and to each of the leadership candidates during a given political party leadership campaign. It also limits to \$300 the gifts a contributor may make to a candidate running in a municipality of less than 5,000 inhabitants.

The ceiling on electoral expenses incurred during an election by a party or authorized independent candidate is reduced by 30%, and the amount of the electoral expenses incurred by a party or independent candidate that are reimbursable by the municipality is increased by 60%.

Penalties may be imposed, in particular, on a person who contributes a gift of money amounting to more than \$300 to a candidate running in a municipality of less than 5,000 inhabitants. Moreover, a legal person found guilty of contributing a gift of money to a candidate running in a municipality of less than 5,000 inhabitants may not obtain a public contract.
