38.1 A Liaison Committee is hereby established for the purposes of monitoring the implementation of this Agreement, ensuring ongoing communication among the Parties and attempting, where applicable, to resolve through discussions among the Parties any disputes that may arise from any issues relating to the interpretation and application of this Agreement.

38.2 The Liaison Committee consists of three (3) persons, each representing one of the Parties to this Agreement.

Each Party is responsible for designating the person who will serve as its representative on the Committee. Each Party shall inform the other Parties of the identity of its representative within thirty (30) days upon the signature of this Agreement, or if applicable, within thirty (30) days following a vacancy or a resignation.

38.3 The Liaison Committee can make recommendations on any issue relating to the implementation of this Agreement.

The Committee's recommendations are made by consensus but are not binding on the Parties to this Agreement.

38.4 The Committee shall meet as required during the term of this Agreement. In addition, any member of the Committee may call a special meeting by giving notice to the other members of the Committee at least fifteen (15) days prior to the date of the meeting.

It is understood that any member of the Committee may invite observers to the meetings, as required.

38.5 The Parties undertake to inform the Committee, on a timely basis, of any matters that may have a substantial impact on any or all of the Parties and that may adversely affect police operations. In such cases, the Party or all Parties shall provide the Committee with sufficient time to address the issue and to propose a solution or a satisfactory conclusion for all Parties.

38.6 The Liaison Committee will be disbanded at the end of this Agreement.

39. AMENDMENT

This Agreement may be amended by the mutual written consent of the Parties. In order to be valid, any amendments to this Agreement must be made in writing and signed by the Parties or their duly authorized representatives.

40. DEFAULT

40.1 Where there is default, or there is, in the opinion of Canada and Québec, a likelihood of default of the Municipality's obligations or where the Municipality or one of its representatives, agents or subcontractors makes or has made a false or misleading statement, Canada and Québec may:

- a) reduce the contribution paid to the Municipality;
- b) suspend any payment; or
- c) terminate the Agreement in accordance with the terms set out in section 42.

40.2 Where there is such default, Canada or Québec shall provide the other Parties with written notice indicating the said default and setting out their intention, to exercise the rights under subsection 42, if the Municipality does not remedy the default within thirty (30) days.

40.3 Canada and Québec shall not be considered as having waived a remedy or a right under this Agreement other than by written notice to all Parties to this effect. The fact that Canada or Québec refrains from exercising a remedy or any right under this Agreement or other applicable law shall not be considered to be a waiver of such remedy or right and, furthermore, partial or limited exercise of a remedy or right conferred on Canada or Québec shall not prevent Canada or Québec in any way from later exercising any other remedy or right under this Agreement or other applicable law.

41. DISPUTE RESOLUTION

41.1 The Parties undertake to foster the resolution of disputes arising from the interpretation or application of this Agreement in a spirit of conciliation, cooperation and harmony.

41.2 In the event of a dispute, any Party may refer the matter at issue in writing to the Liaison Committee so that the Committee can endeavour to resolve the matter within sixty (60) days. To assist it in resolving the dispute, the Committee may seek the services of a third party in order to obtain advice and counsel.

- 41.3 If the Committee is unable to resolve the dispute within sixty (60) days, it shall inform the Parties accordingly and allow them to make representations. Any Party may then submit the matter to a court of competent jurisdiction unless one of the Parties chooses to terminate the Agreement in accordance with section 42.

42. TERMINATION

42.1 This Agreement may be terminated under the following conditions:

- a) by Canada or Québec, when, as set out in the first paragraph of subsection 21.2, funding is no longer available or the appropriation has been decreased;
- b) by the Municipality, as set out in the second paragraph of subsection 21.2, following a reduction of funds by Canada or Québec, whereby the Municipality can no longer fulfill its obligations under this Agreement;
- c) by Canada or Québec, if the Municipality has not remedied the default to the satisfaction of Canada or Québec within the thirty (30) day period as set out in subsection 40.2; or
- d) at any time, by any Party, even if there is no default committed by another Party.

42.2 The termination shall take effect:

- a) subject to paragraph a) of subsection 42.1, thirty (30) days after receipt of the notice that Canada or Québec, as the case may be, informs the other Parties;
- b) subject to paragraph b) of subsection 42.1, thirty (30) days after receipt, by Canada and Québec, of a notice from the Municipality to this effect;
- c) subject to paragraph c) of subsection 42.1, on the date indicated in the notice provided by Canada or Québec to this effect;
- d) subject to paragraph d) of subsection 42.1, upon expiry of ninety (90) days following the date of receipt of a written notice to this effect to the other Parties, unless all the Parties agree upon another date in writing.

43. CARRYING OUT CERTAIN OBLIGATIONS BY THE MUNICIPALITY IN THE EVENT OF A TERMINATION OR NON-RENEWAL OF THIS AGREEMENT

Upon termination or expiry of this Agreement, if it is not being renewed, the Municipality shall:

- a) provide Canada and Québec a complete inventory of weapons of the Police Force, including intermediary weapons;
- b) ensure that weapons belonging to the Police Force, including intermediary weapons, in accordance with the applicable statutes and regulations, are sold to another police force or destroyed;
- c) sell at market value, all other material and equipment acquired with funds provided under this Agreement;
- d) remit immediately to the SQ all documents, files, evidence and seized weapons or weapons under the control of the Police Force, including intermediary weapons;
- e) pay all the amounts due for goods and services provided under this Agreement before its termination or expiry;
- f) reimburse Canada and Québec their share of contributions paid but not spent, in proportion to their initial contributions, within thirty (30) days following the termination or expiry of this Agreement;
- g) reimburse Canada and Québec any other funds due to them under this Agreement in accordance with the terms and conditions covering each of these sums.

The proceeds of this sale shall be considered as an amount owing to Canada and Québec in proportion to their initial contributions and shall be reimbursed no later than the thirtieth (30th) day following the transaction date. *(Note: reimbursements due to Canada shall be made to the Receiver General of Canada and reimbursements due to Québec shall be made to the Ministre des finances du Québec).*

Any amount remaining owing to Canada and unpaid after such a deadline shall carry interest calculated and compounded monthly at the average bank rate, within the meaning of such expression as contained in the *Interest and Administrative Charges Regulations*, SOR/96-188, plus three percent (3%), from the due date to the settlement date.

44. CARRYING OUT CERTAIN OBLIGATIONS

The obligations and the provisions set out in sections 2, 4, 26, 27, 28, 29, 34, 35, 36, 37, and 43, and subsections 24.2 and 25.1 c) will continue to be in effect beyond the termination or expiry of this Agreement.
