

"HATRED STIRS UP STRIFE, BUT LOVE COVERS ALL SINS."

Thank you for your most recent expression of kindness.

In the weeks following the Boston Marathon tragedy, we have received many words of encouragement, offers of help and donations to One Fund Boston. This outpouring of support gives us strength to mourn, to rebuild and to push forward.

We are Boston: a city with the courage, compassion and strength that knows no bounds.

On behalf of the people of Boston, thank you for your support.

Thomas M. Menino

Mayor of Boston
