Motion without notice presented by the Member for Rosemont, together with the Minister for Rehabilitation, Youth Protection and Public Health, and the Members for Groulx and Sainte-Marie–Saint-Jacques:

THAT the National Assembly speak out against the tightening of the rules governing the Homelessness Partnering Strategy and the intention of the Federal Government to support only projects based on the "Housing First" approach, which would have the serious consequence of denying funding to many organizations that support various projects fighting homelessness;

THAT the National Assembly demand that the Federal Government respect Québec's jurisdiction and the policy directions announced in the Politique nationale de lutte à l'itinérance, Québec's national policy to fight homelessness adopted in February 2014;

THAT it demand that the Federal Government renew the Homelessness Partnering Strategy under the same terms, namely by respecting Québec's policy directions and priorities in this area.
