The articles of incorporation of the company, as well as its articles of amendment, if any, must be submitted for approval to the Minister of Municipal Affairs, Sports and Recreation; once approved, they are filed by the Minister with the enterprise registrar, under section 123.11 or 123.104 of the said Act.

2. The activities of the company referred to in section 1 are restricted to carrying out the agreement referred to in section 6.

In no case may the company make a public distribution of shares.

4. The by-laws passed by the company referred to in section 1 under section 91, 92 or 93 of the Companies Act, as well as any shareholders’ agreement, must be approved by the Minister of Municipal Affairs, Sports and Recreation.

5. Members of the council of the regional county municipality must be in the majority at all times on the board of directors of the company referred to in section 1 and only they are qualified to serve as chair. The regional county municipality may hold shares in the company; it must at all times hold the majority of voting shares.

6. The regional county municipality may, with the authorization of the Minister of Municipal Affairs, Sports and Recreation, enter into an agreement with the company referred to in section 1 relating to the exercise of its jurisdiction over residual materials management.

7. The agreement referred to in section 6 must include

- (1) a detailed description of its object;
- (2) the obligations of the parties, including the obligations relating to their financial participation;
- (3) the procedure for determining the cost of carrying out the agreement;
- (4) the obligations of the parties in case of total or partial non-execution of the agreement;

8. Before awarding a contract to a third person for the management of all or part of the agreement referred to in section 6, the company referred to in section 1 must obtain the authorization of the Minister of Municipal Affairs, Sports and Recreation.

The first paragraph does not apply to a contract awarded by the company within the framework of its day-to-day administration.

9. The company must, before 1 October each year, transmit to the regional county municipality an estimate of the costs relating to the implementation of the agreement and the financial participation required from the regional county municipality for that purpose for its next fiscal year.

Moreover, for each of the five fiscal years following the year of its incorporation, the company must send in good time to the Minister of Municipal Affairs, Sports and Recreation its budget estimates, its financial statements and any other information pertaining to its financial situation requested by the Minister.

10. The company must take out insurance, and maintain it in force, to cover the liability of its directors, officers and other representatives.

Any member of the council of the regional county municipality who, during a term of office as council member, directly or indirectly acquires or holds shares issued by the company referred to in section 1 or by any of its subsidiaries, or has a direct or indirect interest in a contract with any of those companies is disqualified from holding the office of member of the council of any municipality.
