FIRST SESSION

THIRTY-EIGHTH LEGISLATURE

Bill 60

An Act to amend the Police Act

Introduction

**Introduced by
Mr. Jacques P. Dupuis
Minister of Public Security**

**Québec Official Publisher
2007**

EXPLANATORY NOTES

This bill enables municipalities to conclude agreements among themselves, with the approval of the Minister of Public Security, on the provision of detention or transportation services for accused persons and on the joint use of equipment, premises or space by their respective police forces. It also stipulates that the municipalities may conclude such agreements with the Minister, to be applicable to the Sûreté du Québec.

The bill authorizes the Minister to determine the manner in which a municipality that is part of a metropolitan community or a metropolitan census area will be served by a municipal police force if the municipality fails to do so. It also provides that municipalities must update their police service organization plan whenever necessary or at the Minister's request. In addition, it completes the list of provisions that must be included in the agreement under which the Sûreté du Québec provides its services to a municipality.

The bill stipulates that the function of police officer is incompatible with the exercise of an activity related to the administration of justice but is no longer incompatible with the exercise of an activity requiring that a restaurant sales or service permit be issued by the Régie des alcools, des courses et des jeux.

The bill also makes wildlife protection officers and any person having authority over them subject to the rules of ethics governing police officers. It removes the obligation for a police officer to report the conduct of another police officer that may constitute a breach of discipline. In addition, the bill states that a police officer interviewed as a witness in connection with a complaint against another officer may, if that first police officer wishes, be assisted by an advocate.

The bill stipulates that any allegation against a police officer concerning a criminal offence must first be submitted to the director of police and the Director of Criminal and Penal Prosecutions, who will determine whether the allegation is frivolous, made in bad faith or unfounded, or could give rise to an abuse of process. If the allegation is founded, the director of police must inform the Minister immediately.

Lastly, the bill confirms the creation of the Québec Police Services Council, made up, among others, of municipal representatives. The Council's mission is to give its opinion to the Minister on any matter relating to police services provided in Québec.

LEGISLATION AMENDED BY THIS BILL:

- Police Act (R.S.Q., chapter P-13.1);
- Act respecting the Syndical Plan of the Sûreté du Québec (R.S.Q., chapter R-14).
